NOTES:

^{1/} The RCPP conservation easement deed must contain terms at an appropriate level of restrictiveness to ensure the stated Conservation Values are protected and Conservation Purposes achieved. For RCPP Classic and AFA with a US Right of Enforcement: The appropriate version of RCPP Minimum Deed Terms based on the Right of Enforcement and Level of Restrictiveness selections must be used. For AFA: The conservation easement deed terms must address the RCPP Minimum Deed Requirements and be appropriate based on the selected Level of Restrictiveness.

^{2/} The specific breakdown of the final amounts and sources that comprise the non-Federal share must be provided in the "Statement to Confirm Matching Funds," (Form NRCS-CPA-1279, or successor form) submitted to NRCS.

^{3/} NRCS must be notified of any changes in landownership in accordance with the terms of this Parcel Contract. If prior to closing, payment, or NRCS final notice of RCPP easement transaction completion and compliance, the parcel ownership is different than reflected on this document, the landowners must be eligible, as determined by NRCS and a Form NRCS-CPA-1278, "Modification of the Schedule of Acquisition for RCPP Entity-Held Easement," must be executed to reflect current ownership.

^{4/} Prior the execution of Form NRCS-CPA-1277, all landowners must be determined compliant with the AGI provisions as set forth in 7 CFR Part 1400, and such determination remains in effect for the duration of the Parcel Contract unless a change is made that affects the existing AGI determination, including the applicability of any AGI waivers granted by NRCS. Before Form NRCS-CPA-1278 may be executed to modify the Parcel Contract to reflect such changes, the landowners must be determined compliant with the AGI provisions.

^{5/} NRCS must determine whether payment of the Federal share must be commensurately reduced in accordance with 7 CFR Part 1400 and as described in Form NRCS-CPA-1276-Appendix. The amount shown is the anticipated percent by which payment of the total Federal Share will be reduced. The amount of the actual payment of the Federal share provided by NRCS will reflect the final commensurate reduction determinations made prior to issuing such payment.
